IS BLACK SEED A CURE FOR COVID-19 ?

Ameer Hamza Ansari March 24, 2020 Awareness blogs, health and fitness

BLACK SEED, covid-19 outbreak, is black seed can be used as covid-19 cure

BLACK SEED

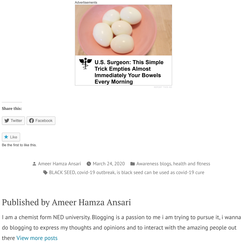
Black Seed is one of the diverse source of medicine since the history recalls so main query is that, can it cure COVID-19 virus ? truth is that, it is not confirm yet that it can be used as a cure for corona virus but it can definitely cure symptoms like asthma, headache and some inflammatory diseases. Everyone should use BLACK SEED not because of the corona virus but because of it's versatile effects and healing power.

BLACK SEED have possible effects on asthma, diabetes and high blood pressure. If asthma patient use black seed with possible medication it will possibly improve coughing, wheezing and lungs function in certain patients and by taking black seeds by mouth it will possibly lower down the blood pressure.

BLACK SEED oil have several benefits such as:

OBESITY: Black seed oil is used as a supplement for 1000's of years to reduce weight.

HEALTH CONDITION: According to a 2015 study on rats, black seed oil may reduce liver and kidney disease complications and improve the organ structures. It can be used to treat diabetes to some extent.



SIDE EFFECTS AND RISK:

First of all keep one thing in mind if you are taking some medication then do not use black seed oil or any other herbal supplement without your doctor's recommendation. Avoid Black seed oil on the sensitive parts of your body like eyes and nostrils etc.

Swallowing black seed oil can sometimes lead to digestive problems, such as stomach upset, constipation and vomiting.

DISCUSSION

BLACK SEED has cure for many disease and it has some unconfirmed side effects also but keep one thing in mind the degree of effectiveness in directly taking the black seed is comparably low as from the medicine that are derived from it. I hope this article is informative, if you find it interesting then tell me your opinions in the comment.

I don't know whether it can be used as a cure for COVID-19 or not but it has cure for so many disease out there i didn't cover all of them but BLACK SEED is indeed a fruitful creation of the GOD like many of his other remarkable creations.

If you wan to learn more about BLACK SEED then comment below i will definitely provide the second part.
